

Dear Parents,

Welcome! The staff and I at Berean Pre-School are looking forward to your child (ren) attending our program.

We have many exciting opportunities for your child (ren), along with a dedicated staff that is excited and committed to enriching the lives of your young child (ren) and pre-schooler(s).

Feel free to contact me with any questions. I am looking forward to serving you and your child (ren) in this year. Please be sure to fill out all your forms and bring them with you when you register your child. We also need a copy of their immunization records before your child can start classes.

Sincerely,  
Lorraine Rodriguez  
Director
