

\$25

Finder's Fee

Here's how it works, recommend our preschool to a friend and when they register their child at Berean Pre-School, we will give you a \$25 finder's fee. You can give them this flyer with your name on it to turn into us or give them a preschool business card with your name on it. When they turn in that card upon registration we will apply \$25 to your account. It's that easy. So recruit away, there is no limit to the amount of new students you can recruit. Each new recruit gets you another \$25 off your child's tuition. This offer has no cash value.
